Sir:

Applicants submit herewith a replacement copy of Table 4 in the above-identified application on the attached CD-R. This replacement copy is being provided at the request of Examiner Marjorie Moran of September 21, 2007, in order to overcome a formatting problem in Table 4 encountered by the USPTO. Applicants note that the attached CD-R contains one file, entitled "Table_4.txt", which is a properly formatted copy of Table 4 as it was originally filed. No new matter has been added by submission of this table.

Applicants note that this file contains tab delimited text files so that, when the file is opened using Microsoft Excel, the spatial relationships (i.e., columns and rows) will be properly aligned.

Applicants request that Examiner Moran contact the undersigned at 202-942-5746 should she have any questions regarding this filing or require any further information from Applicants.

Respectfully submitted,
